

Asphalt Institute Foundation 2021 Internship Program Frequently Asked Questions (FAQs)

What is the AIF Internship Program?

The AIF Internship Program is an annual two-day event for interns from Asphalt Institute member companies to attend and learn more about the liquid asphalt industry. Attendees learn about AI and AIF; take part in an “Asphalt 101” introduction; participate in laboratory tours; receive practical advice for making the most of an internship and networking opportunities; and, learn about careers in the asphalt industry.

When is the 2021 event?

The 2021 program will take place June 8-10, 2021, at AI Headquarters in Lexington, KY.

What is the cost to attend?

The Asphalt Institute Foundation covers all travel expenses for interns to attend the two-day event. This includes transportation (airline and car), meals, and hotel accommodations.

Will an AI member company representative need to travel with the intern?

Yes, we ask that interns are accompanied by at least one AI member company staff representative.

When should I arrive for the program?

All participants should plan to arrive in Lexington, KY prior to 6 PM on Tuesday, June 8th. A “Meet & Greet Welcome Dinner” will kick-off the internship program at 6:30 PM on Tuesday, June 8th at the Marriott Griffin Gate Hotel in Lexington, KY.

What is the dress for AIF Internship Program?

Business casual dress (polos, khakis, slacks) is appropriate attire for the internship program. Please note that closed-toe shoes must be worn on both days to participate in the laboratory tours. Casual attire is appropriate for Wednesday evening’s group dinner and visit to Battle Axes. Also note closed toe shoes must be worn to participate in the axe throwing activity Wednesday evening. (So please plan to leave the flip flops and open toed sandals at home!)

Will there be other opportunities to learn about the Asphalt Institute after the AIF Internship Program has concluded?

Yes, based on availability and member company approval, interns participating in the 2021 AIF Internship Program are invited to attend the Asphalt Institute’s Summer Meeting to learn more about how an association works and benefits its members. Interns will have the opportunity to attend committee meetings, participate in informative sessions and network with hundreds of members at the event. Interns will also be recognized during the President’s Luncheon. The AI Summer Meeting will be August 2-5, 2021, in Denver, CO. AIF will cover travel expenses for the interns to attend the summer meeting.

Who should I contact to learn more?

Contact Susie Tanner, AIF’s Program & Development Manager, at 859-977-5927 or via e-mail at stanner@asphaltfoundation.org to learn more about the 2021 program.
